

AskGamblers Award Ceremony 2019

On the 17th January 2019, Catena Media's AskGamblers team held their annual 'AskGamblers Award Ceremony' at the Hyatt Regency hotel in Belgrade, Serbia. Having continuously raised the bar in the iGaming industry for over a decade, AskGamblers has become the go-to casino affiliate website for players and partners alike. With all eyes on the AskGamblers team, it came as no surprise that the AskGamblers Awards was received so well. What makes the AskGamblers Awards stand out, however, is the fact that they consider players' unique opinions in order to pronounce their winners.

With members of Catena, AffiliateINSIDER and all the finalists in attendance, the event itself was a great opportunity for colleagues and partners from the iGaming industry to come together and celebrate the success of the previous year.

There were 10 final contenders in each of the categories: Best Casino, Best New Casino, Player's Choice, Best Partner, as well as the Best Slot released in 2018. Altogether, there were 8 software suppliers nominated in the Best Game Provider category. Now, without further ado, here's an entire list of the AskGamblers Awards 2019 Winners:

- Best New Casino: Campeonbet Casino
- Best Casino: Betsson Casino
- Player's Choice: BitStarz Casino
- Best Partner: 7Stars Partners
- Best Slot: Legacy of Egypt by Play'n GO
- Best Game Provider: NetEnt

Perhaps the most notable success of the event was the charity event held the night before the awards ceremony, where those in attendance were able to place bids for the top 3 positions on the AskGamblers site. A total of €49,000 was raised which will be invested in special-needs playground equipment, including swings for disabled children in Belgrade.

Denis Ristic, AskGamblers Product Owner, shared his excitement, stating that: "We are very proud that the AskGamblers Awards event is getting bigger and better. It's only the second year and we are already noticing that the Awards have made an impact on our regular users, while reaching new players and creating a real buzz in the world of online casinos."

Once again, we would like to congratulate all the winners and thank all the players who took the time to vote and help us single out the best candidates!
