

## Catena Media wins Casino Affiliate of the Year at SBC Awards

Catena Media won the award for Affiliate of the Year at SBC Awards 2019. The awards featured five main categories which included awards for operators, suppliers, operators & suppliers, affiliates and payment suppliers. Catena Media was also shortlisted for Sports Affiliate of the Year and Employer of the Year.

**CEO Per Hellberg said:**

“This win means a lot to us in a year with many things happening in the company and in the industry as a whole. We've entered new markets with AskGamblers and we're starting to see some good results in the US as well. Our Casino segment and all their supporting teams have done a tremendous job, working harder than ever and showing that they are the best at what they do.”

The award for Affiliate of the Year at SBC Awards was the latest in a year where Catena Media's breadth of products were recognised. In May, Catena Media won EGR North America Affiliate of the Year, AskGamblers won Best Casino Website 2019 at IGB Affiliate Awards and Catena Media's Italian facing products also took home Affiliate of the Year at the EGR Italy Awards. Squawka was also recognised as a Premium Publisher at the Football Blogging Awards.
