Catena Media is proud to share that Patrick Tuohy took home the Finance Manager of the Year award on October 20th at the iGaming Idol Awards ceremony.

The judges sought to recognise individuals who excel at understanding their area of expertise and how it adds value to their organisation. Every winner had to have demonstrable evidence of having initiated some improvement within their field, in addition to showing general interest and knowledge in the iGaming industry. Patrick has set high standards in Finance Management

within our industry. This award is testament to his skills, remarkable work, and dedication here at Catena Media.

Patrick said in his speech that “getting up at 3 am to fly to Malta was completely worth it”

He is feeling “honoured and delighted” to have been recognised with this award and is still “in shock” to have won. He also thanks everyone who supported him to get to this level.

Catena Media would like to congratulate all the winners and everyone on the shortlist, especially Roberta Galea and Rebecca De Gaetano, shortlisted for the Design Idol of the Year and HR Business Partner Idol of the Year awards respectively.
