Proposal on principles for the composition of the Nomination Committee

The Nomination Committee proposes that the instruction for the Company's Nomination Committee be unchanged, as follows.

The Nomination Committee shall consist of four members. The three, in terms of votes, largest shareholders/owner groups (the "**Largest Shareholders**") as per 31 August the year prior to the next annual general meeting, according to the list of shareholders in the share register maintained by Euroclear Sweden AB or that in another way are proved to be one of the Largest Shareholders, are entitled to appoint one member of the Nomination Committee each. In addition, the chairman of the Board of Directors shall be appointed as a member of the Nomination Committee. The chairman of the Board of Directors shall no later than 15 October the year prior to the next annual general meeting summon the Largest Shareholders. If any of these shareholders waive their right to appoint a member of the Nomination Committee, the next shareholder/owner groups in order of size shall be given the opportunity to appoint a member of the Nomination Committee.

The CEO or any other person from the senior management shall not be a member of the Nomination Committee. The chairman of the Board of Directors shall summon the Nomination Committee's first meeting.

The chairman of the Board of Directors shall not be appointed chairman of the Nomination Committee. The Nomination Committee's term of office extends until a new Nomination Committee is appointed. The composition of the Nomination Committee shall be made public no later than 6 months before the annual general meeting.

If it becomes known that a shareholder that has appointed a member of the Nomination Committee, as a result of changes in the said owner's shareholdings or due to changes in other owners' shareholdings, is no longer one of the Largest Shareholders, the committee member who was appointed by said shareholder shall, if the Nomination Committee so decides, resign and be replaced by a new member appointed by the shareholder who at the time is the largest registered shareholder that has not already appointed a member of the Nomination Committee.

If the registered ownership structure is otherwise significantly changed prior to the completion of the Nomination Committee's work, the composition of the Nomination Committee shall, if the Nomination Committee so decides, be changed in accordance with the above stated principles.

The tasks of the Nomination Committee shall be to prepare, for the next annual general meeting, proposals in respect of number of directors of the Board of Directors, remuneration to the Chairman of the Board of Directors, the other directors of the Board of Directors and the auditors respectively, remuneration, if any, for committee work, the composition of the Board of Directors, the Chairman of the Board of Directors, proposal for composition of the Nomination Committee, chairman at the annual general meeting and election of auditors. The Company shall pay for reasonable costs that the Nomination Committee has considered to be necessary in order for the Nomination Committee to be able to complete its assignment.

Reasoned statement of the Nomination Committee

Prior to the Annual General Meeting 2022, the Nomination Committee has held a total of six meetings and in addition had ongoing contact. The Nomination Committee has taken into account the outcome of the evaluation of the Board and its work, interviewed three board members and interviewed the CEO in relation to Catena Media's operations. Based on this, the Nomination Committee has assessed the composition of the current Board of Directors.

The Nomination Committee proposes re-election of all directors.

Overall, it is the opinion of the Nomination Committee that the proposed Board of Directors has an appropriate composition in relation to the Company's operation, phase of development and other relevant circumstances pertaining to the Company. The Committee also considers that the proposed Board of Directors has an adequate diversity and breadth of competence, experience and background. The Nomination Committee notes that two of the proposed members of the Board of Directors are women. There is reason for future Nomination Committees to continue to strive for a gender balanced composition of the Board of Directors.

The Nomination Committee has, in its work, applied rule 4.1 of the Swedish Corporate Governance Code as its diversity policy.

Further to its assessment of the proposed Board members' independence, the Nomination Committee note that, following the resignation of the former CEO, Göran Blomberg was acting CEO between 7 January and February 28, 2021, when Michael Daly took up the position as CEO.

Notwithstanding the above and considering the short timeframe and lack of major strategic decisions made by Göran Blomberg in his capacity as acting CEO, it is the view of the Nomination Committee that the proposed Board meets the independence requirements set forth by the Swedish Corporate Governance Code.
